2 1/2 cups warm ___________ (John 4:10)
1/3 cup ___________ (Matthew 25:1-13)
1/3 cup ___________ (Psalms 119:103)
1 tablespoon ___________ (Matthew 13:33)
1 tablespoon ___________ (3 Nephi 12:13)
About 6 cups ___________ (2 Samuel 13:8)
Combine water, oil, honey and yeast (leaven) in a mixing bowl. Let sit for a few minutes until it starts to foam.

Add salt and begin adding flour, one cup at a time, while stirring with a dough hook. Add enough flour to make a soft and tacky, but not sticky dough.

Knead by hand a few times on a floured counter top. Place in a covered bowl and allow to rise until doubled 30-60 minutes.

Remove and divide into two equal pieces. Shape into loaves. Place in greased loaf pans.

Allow to rise an additional 30 minutes, or until nicely domed.

Bake at 350 for about 40 minutes or until golden brown.
